SKOPE TME1500N-A ActiveCore 3 door Fridge/Chiller has developed in the largest innovation centre of its kind in Australia, the TME ActiveCore range provides marketing leading energy savings along with new features to deliver optimal performance and a modern frameless aesthetic design. This new glass door chiller range of 1, 2 and 3 door top mounts combining SKOPE's revolutionary ActiveCore technology has reinforced our reputation for proven quality, durability, and reliability. Each and every component of the TME ActiveCore has been developed with efficiency in mind.

Description

SKOPE TME1500N-A ActiveCore 3 door Fridge/Chiller

- Upgraded ActiveCore™ technology, designed for long-life reliability with easy efficient servicing when required,
- Significant energy savings,
- Ideal for high humidity environments,
- Updated premium energy efficient glass using a new low-emissivity, high-performance coating technology,
- Patented easy to install shelf clip and numbered shelf support strip, reduces set up time and enables finer adjustments,
- Significantly reduced noise and improved quality, for a quieter operation,
- Modern frameless glass door design with aluminum trim,
- New slotted back panel design allows chilled airflow for maximum product cooling,
- Ergonomically designed, brushed stainless steel handles for easy access,
- Updated controller with manual light switch and pre-programmed feature,
- Available with an optional illuminated sign panel,
- Suitable for displaying and storing flowers, chocolates, and wine - with an upper control set point at +15°C.
